Legion to Observe Armistice Day

Once again the Royal Canadian Legion in Coleman will observe Armistice Day with services to be held at the Legion Cenotaph.

Memorial services will be held with ministers of local churches in attendance. Mayor J. Ostash will represent the town of Coleman.

Wreaths will be laid in memory of those who made the Supreme Sacrifice that those of us who remain to live may do so in peace.

The annual Poppy Day will be held on Friday, November 8th. It is hoped that all who supported this worthy cause and so perpetuate the memory and the deeds of those who fell, will once again help us to make this another successful year.

The services on Monday, November 11th, will commence at 12:30 p.m. with the 31st Technical Sgdn. firing party in attendance.

Wreaths will be laid by local merchants, fraternal organizations and next of kin.

Addresses will be given by Mayor J. Ostash and local ministers. Roll call of Comrades who fell in World War I and World War II will be called.

The public is invited to attend the services. Cubs, Brownies and Boy Scouts will also attend. All Legion members and veterans are requested to attend these services in memory of those comrades who served with them.

Elks Celebrate 38th Birthday

Coleman Elks Lodge marked its 38th birthday on Saturday, October 26th, when over 250 persons attended a social evening catered to by the Ladies of the Royal Purple.

Lecturing Knight Bob Findlay, in the absence of Exalted Ruler Ray Taggart, expressed a welcome to all guests, and then called on Past District Deputy Grand Exalted Ruler Henry Zak, who was the chairman of the party, to introduce the dignitaries at the head table.

The guests included Provincial President and Mrs. Ralph Brown of Acme, DDGER and Mrs. Stan Byers of Granum, District Deputy, Supreme Honored Royal Lady and her husband Ben Drews of Fernie, B. C., Honored Royal Lady Nellie Hote and husband of Coleman, DDGER and Mrs. Bill Naylor of Lethbridge, District Deputy Grand Exalted Ruler and Mrs. Bill Snield of Cranbrook, B. C., and Provincial Secretary and Mrs. Wes Jacobson of Barons.

Both Mr. Naylor and Mr. Jacobson are Past Provincial Presidents. Short addresses of congratulation to the Coleman Lodge were given by the visiting officials.

A large birthday cake was then brought into the hall, and Jack Rushton, the Lodge's oldest life member, was called upon to cut the cake.

Provincial President Brown then called on Jack Goulding and presented him with his 25-year button after which Lecturing Knight Bob Findlay called on Silvio Deklyn, Silvia Castellano, George Misura, Pep Oliva and Joe Bodisch and presented them with their 15-year buttons.

An evening of dancing was then enjoyed with music provided by Joe Pavlus and orchestra. Larry Pisomy of Fernie and Edward Laffy of Coleman, entertained with a number of piano accordion duets.

Mr. and Mrs. Ledieu Mark Anniversary

Mr. and Mrs. Ed Ledieu, Coleman old-timers, celebrated their forty-sixth anniversary at their home last week when over 25 members of the family and close friends gathered to mark the occasion. A buffet supper was enjoyed during which time the couple were presented with numerous gifts. A number of cards and letters were received by the couple and read at the affair.

Mr. and Mrs. Ledieu were married in the Anglican church in Coleman on October 27, 1917, by the Rev. Clay.

The couple have lived here since, where Mr. Ledieu operated a grocery and meat store for many years.

Prior to his retirement one year ago, Mr. Ledieu worked at the International Mine tipple.

The couple have three sons - Tony of Red Deer, Fred in Flin Flon, Man., and Ed of Calgary; four daughters, Mrs. Bill (Mirelle) MacDonald of Bellevue, Mrs. Jim (Zena) Svoboda of Bellevue, Mrs. Jerry (Mary) Zemek of Frank and Mrs. Reg (Julienne) Potter of Bentley; 21 grandchildren and one great grandson.

Both Mr. and Mrs. Ledieu are enjoying good health and do gardening as their hobby.

Victoria Rebekahs Attend Church

Members of Victoria Rebekah Lodge, No. 7, attended church services at St. Alban's Church on the evening of October 27th.

An address of welcome was given by Rev. Dennis Powell.

After the close of the Service all the members enjoyed a social hour and delicious supper at the home of Mrs. W. Godfrey.

Geraldine Gibos Hurt in Accident

Geraldine Gibos, 11 year old daughter of Mr. and Mrs. Joe Gibos, was in collision with a car driven by Ronald R. Koury Saturday afternoon. The girl was not seriously injured but was admitted to the Crownest Pass Municipal Hospital to be treated for bruises and abrasion. The accident occurred on Coleman's main street. Town police are investigating.

Local Witnesses To Attend Convention

W. L. Krish, presiding minister of the local congregation of Jehovah's Witnesses, announced today, that the Coleman congregation of Jehovah's Witnesses will be attending a three-day semi-annual convention to be held in the high school auditorium at Fort Macleod, November 8, 9 and 10.

Mr. Krish will head the local delegation of about 15 persons. Upwards of 350 to 400 are expected to attend the convention, which takes in congregations in southern Alberta, from Taber to Coleman.

The theme of the assembly is "Feed My Little Sheep". Both the circuit and district representatives Mr. E. Adamson and Mr. C. Statton will address the gathering.

The main feature of this convention will be the talk "The Bible Triumphs in a Scientific World", delivered by Mr. Statton on Sunday, November 10 at 3 p.m.

A cordial welcome is extended to all persons of goodwill to attend any or all of the sessions.

Coleman Couple Observe 55th Wedding Date

Mr. and Mrs. Frederick (Fred) Smith celebrated their fifty-fifth wedding anniversary on October 31st. They were married in Coleman in 1908, the late Rev. Murray officiating.

Mrs. Smith (nee Mable Neal) came to Coleman in the year 1903 from England to join a friend, Miss Agnes Holmes. Mr. Smith's home-land was also England, and he came to Canada in the year 1900 to Manitoba, where he was employed for a short time, and then travelled further west to Maple Creek, Sask. (then known as Assiniboine).

His next step west was to Coleman where he secured employment with the McGillivray Creek Coal & Coke Co. Ltd., as an engineer and made his temporary home at the hotel, operated by Mr. and Mrs. R. Easton, sr., and after the Eastons gave up the hotel business he moved to the boarding house operated by the Holmes family. It was there he met Miss Neal, his future wife.

The happy couple took up residence here and resided in the Crows Nest Pass until 1927, when they purchased a farm at Okotoks, Alberta. Mrs. Smith found farm life too lonely and was not happy there so they moved to Coalhurst for a short time and then back to Coleman, where Mr. Smith was employed as an engineer until his retirement.

They have one daughter, Mrs. Ellen Grace Green; two grandsons, Frederick, 20 years old, and Gary, 14 years old, residing at Victoria, B. C.

Friends and neighbors called on the happy couple to wish them many more years of happy married life. Dr. and Mrs. J. C. Bryant of Pincher Creek were among the many callers. The Journal also extends congratulations and best wishes.

Mr. and Mrs. Smith have always been known for their thoughtfulness to elderly citizens and have scattered seeds of kindness in many a home for both young and old.

School To Have Official Opening November 29

The Coleman School District are completing plans this week for the grand opening of the new Horace Allen high school.

Date for the opening has been set for Friday, November 29th at 2 p.m. Representatives of the Department of Education are being contacted to be present for the affair.

Successful Tag Day

The ladies of the Royal Purple, Coleman, held a Tag Day for the Blind on Friday, October 25 and raised the sum of \$156.60 for this worthy cause.

Hon. Wilmore Visits Coleman

Starting off his term of office as Mayor of Coleman, Jack Ostash bit into a problem that has been aggravating West Coleman residents and providing reason for an annual gripe for some 25 years. The problem - flooding basements in West Coleman homes, which in a good many cases, has prevented home-owners from installing gas furnaces and has, without doubt, depreciated value of their homes.

To get the ball rolling on the matter Mayor Ostash, accompanied by Councillor John Holyk and Jackie Jenkins representing home owners in West Coleman, met with the Hon. Norman Wilmore, Minister of Lands and Mines, and took the government official on a tour of West Coleman to familiarize him with the problem that is facing the people.

Mr. Wilmore saw first-hand attempts that the town has been making to alleviate the annual condition which creates flooded basements winter and spring alike.

The water, coming from underground sources, is laden with rust and with the water table being high in this part of town the smelly water seeps into homes, creating an uncomfortable atmosphere.

"Warm-Up" Spiel To Open Season

Plans are progressing very favorably for the Coleman Curling Club's annual "Warm Up Spiel", which is scheduled to take place on Friday, November 8th through to November 11th.

The first draw will take place at 7:00 p.m. on Friday, according to draw-master Trevor Collister.

Secretary Fred MacLeod, who is accepting entries at \$20 per rink, hopes to get 40 rinks entered in the bonspiel, and so far rinks from Pincher Creek, Natal and Pass towns have entered and it is expected that rinks from Lethbridge, Creston and Fernie will be entering the affair.

The bonspiel will feature \$500 in prizes in the four events, with four prizes in each event.

The affair will be held in the Coleman Curling artificial ice arena on four excellent sheets of ice.

Hockey Bingo November 11

The Coleman Elks Lodge are completing plans this week for a Hockey Bingo Night, to be held in the Elks hall on November 11 at 8 p.m.

A jackpot prize and other valuable prizes are being arranged for by the Elks who are urging all to attend this affair to raise funds for the Coleman Intermediate Hockey Club. The bingo will get underway at 8 p.m. sharp.

Joe Hanrahan President of Socreds

The annual constituency meeting of the Crows Nest - Pincher Creek Social Credit party was held in Lundbreck on Wednesday evening, October 30th, when a new slate of officers for the coming term was elected to office.

The slate comprises Joe Hanrahan, re-elected president; vice-president, Walter Sapetta, and secretary, Len Hotte.

The executive comprises John Holyk and Alex Sekella of Coleman; Roger Demoustie of Blairmore; L. Dezorzi of Bellevue; Cliff Leitcher of Hillcrest; Jack Evans of Lundbreck; Arthur Tustian of Cowley; Stan Pearson and John Hanrahan of Pincher Creek.

Elected to attend the convention to be held in the Palliser Hotel in Calgary on November 18, 19, 20 and 21 are William Kovach, M.L.A. of Hillcrest; Joe Hanrahan of Coleman; Wilson A. McLeod of Pincher Creek and Stan Pearson of Pincher Creek.

The delegation from the Pass will press for the completion of the number three highway, west of Brocket, to the Pass to bring this highway up to standard.

The group will also attempt to get the road north of Lundbreck to Longview declared a secondary highway so that this road would come under the Department of Highways who would then build up and maintain the road.

Mayor Ostash Names Committees

Coleman town council held a meeting Monday night, October 28 when Mayor Jack Ostash appointed the following committees for the year. First named on each committee to be chairman:

Finance: John Holyk, Ted Kryczka and Joe Hanrahan. Works and Property: Ted Kryczka, Joe Hanrahan and Rudy Szymanek.

Fire and Police: William Filewich, Rudy Szymanek and Mel Cornett.

Building: Joe Hanrahan, Bill Filewich and Mel Cornett. Health and Welfare: John Holyk, Mel Cornett and Bill Filewich.

Parks, Cemetery and Rinks, Mel Cornett, Rudy Szymanek and John Holyk.

Representing the town on the Sports Association: Ted Kryczka with Rudy Szymanek and Bill Filewich as alternate.

Public Relations: Joe Hanrahan; Chinook Health Unit: John Holyk; Old Man River district Planning Commission committee: Jack Ostash; Senior Citizens: Joe Hanrahan and Rudy Szymanek; Civil Defence director: Joe Hanrahan with assistant director John Holyk and Public Library, Mel Cornett.

Following the swearing in of new members of council, new Mayor Ostash expressed his appreciation at the fine spirit the new members and entire council were showing.

Improvements Made To Coleman Arena

Many improvements are being made to the Coleman skating arena this month as the town of Coleman, through the government's recreation grant are having a number of additions built on the west side of the arena. The work is being done by Cell's Building and Supplies, and all construction is of cinderblock.

The construction includes a 10-foot wide by 60 foot long addition to the waiting room and two 30-foot square recreation rooms. The arena will be used as a community centre for townspeople.

The building is being heated with natural gas. The arena now has artificial ice and a concrete floor making it possible for a long skating season and with the concrete floor the building can be used for summer activity.

Cost of the additions is presently estimated to exceed \$10,000.

Spend Holiday In Eastern Canada

Mr. and Mrs. L. A. Caroe have returned from a two-month holiday spent in Toronto, Ont., and Chicago, Ill.; six weeks of which was spent with their son Lawrence and family at Toronto.

Mrs. Caroe states they enjoyed several week-ends on camping trips at various camp sites and motels, and visited Mr. and Mrs. Bart, Mr. and Mrs. Eno Castellano and family, and Mr. and Mrs. G. Simms, former Colemanites, and met Mr. and Mrs. O. Bomben who now reside in California, but were visiting in Toronto at the time, and also called on Mr. J. Griffith a former Colemanite and Mr. and Mrs. George (nee Isakoff) Ewing. They all extended best wishes to their old friends here.

A week-end trip was planned to visit Mrs. Petrunick at Niagara-on-the-Lake, and Mr. and Mrs. Frenchie Marconi at St. Catharines, all former Colemanites, but due to bad weather the trip had to be cancelled.

The highlight of the trip was a tour along the St. Clara River, the maple leaves and foliage in all their autumn colors were indeed a fair-land. Another point of interest visited was the Catholic Martyrs Shrine at Midland, Ont. A visit to Ontario at this time of year is one that can never be forgotten, where Canada, the land of the Maple Leaf, is truly exemplified.

Their son Lawrence and family send best wishes to old friends here.

The national economy for efficient operation needs both production and distribution. Advertising is the cheapest means of obtaining maximum distribution.

OF MANY THINGS

(By Ambrose Hills)

What About The Canada Pension Plan?

I've now reached the age where the very word "Pension" has a lovely ring to it, so I read about the Canada contributory wage-related Pension Plan in a sympathetic mood. I would probably not have too many years in which I would have to contribute, but at retirement I'd have a very nice little pension... most of it paid for by somebody else. Should I look a gift horse in the mouth?

Well, many of the gifts I have had in this life have cost me a great deal more than those things I went out and bought for myself. So I did take a look at this gift horse, and I have grave doubts about whether I want it or not.

Added to my own doubts are the words of experts in the actuarial field. They have said the plan is unsound, and I'm inclined to believe them. Politicians draw attractive ideas out of political hats in order to dangle plums before the voters. They leave it to the technical people, in the government service, to try to work out the details—and sometimes those details can be uncommonly difficult. I recall that the Unemployment Insurance scheme was one that just didn't work out as planned; and I would not like to see Canadians start a pension fund that had cracks in it. The whole thing is far too important to engage in without a great deal of thought. Contributions to such a plan could take about ten per cent of a man's weekly wage.

I cannot bring myself to believe that any

political party has my personal welfare so much at heart that it wishes, at once, to work out a pension plan for me, and that it will brook no delay in doing me good. I suspect that this great speed is due to a desire to win friends and influence voters.

Perhaps Canada can afford some sort of wage-deduction pension plan. Certainly we cannot afford an unsound one. While it may be attractive to oldsters like me, it could be disastrous for our sons and daughters who will have to try to pay for it out of their earnings. And if such a plan failed, it would be disastrous for all of us.

It seems to me that it would be wise for the government to delay this plan until the experts have all been heard. To force it on the public would be a great mistake.

**Pass Scouts
Climb Turtle**

A fall mountain hike by some 50 Scouts from Blairmore First Lions Scout Troop, the Waterton Boy Scouts and Coleman Troops, accompanied by Frank Goebel, well-known Waterton climber; Commissioner Lew Blair of Pincher Creek; Mark Venier, of Coleman; Scoutmaster Bruce Turner of Blairmore, was enjoyed on Sunday, October 27th when the large group conquered the peak of Turtle Mountain. The boys left town at 10:45 a.m. and reached the peak at 1:30 p.m., where bruises and nicks were tended to.

On arrival at the peak Scouts enjoyed a group dinner in one of the large crevices on top of Turtle after which a Boys' Own Church Service was conducted by Commissioner Blair.

The boys were then given an interesting demonstration of mountain climbing by Mr. Goebel, and some of the Waterton Scouts. A lecture on climbing was also part of the day's curriculum.

The Scouts also enjoyed an excellent view of the Pass, being able to see as far east as Pincher Creek station, and as far west as the Sulphur Plant, west of Cole-

man. Many of the boys in the group collected souvenir fossils, found in the limestone rock on the peak and cliffs of Turtle Mountain. Prior to making their descent down the west side of the mountain, the boys erected a flag on the peak.

The ascent was made by following the ridge from the north bottom of the mountain and proceeding south.

Purpose of the climb was to bring the lads closer together and to instill the feeling of brotherhood and fellowship.

The lads reached the bottom at 5:30 p.m. when the troops dispersed after a discussion on the success of the climb, which will be a lifetime memory.

Reflector Improves Power Company Communications

This microwave reflector, with the bottom half of its board installed, overlooks the forebay of the Kananaskis Hydro Plant, eight miles away and almost half a mile below.

A billboard-type microwave reflector, the first of its kind to be used in Alberta, was recently erected on the Pigeon Mountain lookout south of Seebe. The reflector was installed by Calgary Power Ltd. to improve communication to and from its key control centre at Seebe.

The installation is perched about 2,000 feet above and overlooking the Bow Valley. It does not incorporate any sending or receiving apparatus of its own, making use of the billiard technique for bouncing high frequency radio waves to their destination.

The 16'x20' aluminum-faced board was assembled in four sections after hauling concrete for footings, steel framework, and other parts up the rugged face of the last 200 feet above the Pigeon Mountain forestry lookout.

The site places the installation in the direct path of the radio waves from the microwave transmitter and receiver located 30 miles east near the town of Cochrane.

The Company's communications system serves most of its 75,000 square mile service area. Conversion to microwave was started in 1961 in order to serve the expanding system of electric power generation and distribution facilities of the Company, at the same time providing a greater number of channels and reducing radio interference between channels.

Jury Returns Open Verdict

An open verdict was returned by a Coroner's Jury in Blairmore court house on Tuesday afternoon, October 29th, investigating death of Mrs. Sheila Lynn Head. Mrs. Head died at around 9:00 a.m. on August 25, 1963, in the Crows Nest Pass Municipal Hospital from injuries she sustained in a motor vehicle accident west of Bellevue on number three highway on August 24, 1963, about 5:30 p.m.

Dr. Victor Martinez, attending physician, gave evidence indicating that Mrs. Head had died of extensive internal injuries, including a ruptured spleen, bleeding and other internal injury.

Evidence was given by bartenders Harry Setla and Angelo Cervo of Blairmore, Fred Churra of Coleman, Avaris McDonald of Calgary, Karen Pedersen of Edmonton, a passenger in Hans Bramer's car, Tom C. Oakley of Lundbreck, Edward Dezale of Lundbreck, Thomas Janiga and Sharon Hucik of Hillcrest, Mr. and Mrs. Walter Price of Bellevue, Donald Head, husband of the deceased and Hans Bramer, driver of one of the accident cars.

Constable Barry Goldberg of Pincher Creek, provided plans of the accident scene and photos were presented by Vern Decous.

Evidence indicated that Bramer had left Blairmore with Karen Pedersen and proceeded east towards Bellevue. Mr. Head, his late wife

and their five-year-old daughter left Hillcrest and were proceeding on number three highway west towards Frank to have a chicken supper at the Turtle Mountain Hotel. From evidence given at the inquest the Bramer car is alleged to have passed one car and was in the process of passing another car, and on the left side of the road when the collision occurred on a long curve.

Bramer was taken to hospital where he was treated for a broken elbow and an eye injury, and Mrs. Head was also taken to hospital by ambulance.

The jury, under direction of Coroner F. S. Radford of Blairmore, comprised Foreman Joseph Yanota, Ellis Vigna, Korby Graf, Thomas Baxter of Blairmore, Harry Beeber of Bellevue and John Hansen of Bellevue.

Crown Prosecutor was D. Vaughn Harrigan of Lethbridge, and Max Moscovitch, Q.C., appeared for Bramer.

Mary Fabro, Phyllis Jones and Anne Draper of Blairmore.

41 Bruno Rypien, Bill Goodwin and Betty Aschacher of Blairmore.

82 door prizes, Mrs. R. Parry, Bruno Rypien, Steve Rypien and Mrs. Ivan Johnson of Blairmore.

The next bingo night will be on November 13th when blackout jackpot prizes of \$75 in 54 numbers and \$50 in 59 numbers will be offered.

C.S.B. Series Sales At New High

The Minister of Finance, The Hon. Walter L. Gordon announced Tuesday sales of the 1963 series of Canada Savings Bonds had crossed the \$200 million mark as of the close of business last Friday and nearly half a million orders had been filled.

Sales through the payroll savings plan now total \$146 million from 433,000 applications.

A carefully company - by company check by the payroll savings organization has indicated management, co-operation and employee acceptance are excellent and there is a strong likelihood final payroll totals will equal or exceed last year's record of \$223 million.

Signal For Your Own Good

Modern automobiles are equipped with devices by which a driver may signal his turns. But signals are useless unless they are properly operated. It does no good for a motorist to switch on his car's turn signal after he has started to turn, claims the Canadian Highway Safety Council. It gives the impression the driver believes the turn signal is there to help his car get around that corner, or that the last-minute signal covers the letter of the law. It is no help to traffic in front or behind. Failure to signal in time could easily create an accident. For example, an approaching motorist, seeing no turn signal ahead, would believe no other driver intended to turn, then make the turn himself to find another vehicle in front of him—too late.

Another peril occurs when the motorist fails to turn off the signal. A driver waiting for a gap in passing traffic to permit him to enter an intersection sees a car approaching from his left, signalling a right-hand turn. He is well within his rights to proceed, as long as no other obstacle is present. Then the signalling car fails to make the turn for which the driver is signalling, and a serious accident results.

A motorist who stubbornly declines to accommodate other drivers by letting them know his intentions can place himself in great danger. Signalling every moment well in advance is a protection to the motorist. Without a signal, other drivers have no way of knowing his intentions and failure to signal, or signalling too late, can be disastrous.

The Council has issued an urgent plea to every driver to make the most of his vehicle's signalling equipment—for his own good.

IN ORDER TO PUBLISH reports of meetings of various organizations, it would help if a press correspondent was appointed by each one to send in the news. It is impossible for a reporter to attend all the meetings, therefore co-operation would be appreciated, and at the same time publicity would be assured for the meetings.

An allowance of \$250 is provided by General Motors of Canada to its dealers to reach car drivers for high school driver training.

JUNIOR CITIZEN AWARD WINNER

BOB HARTELL

STRATHMORE, ALBERTA

Bob was out in the farmyard doing his usual chores. He looked back towards the house and noticed smoke was coming from the back door. What was even worse, he knew his brother Jackie - an unfortunate victim of multiple sclerosis, was in the house alone unable to help himself.

Bob rushed to the house and carried his brother to safety. He went back to extinguish the fire which was already burning well into the ceiling.

He called the nearest neighbour two miles away. By the time the neighbour arrived, fifteen year old Bob had everything under control and was still checking

throughout the house for signs of any smouldering fire that might burst into flame.

There is no doubt that Bob's prompt and courageous action saved the life of his brother - and

saved the family's farm home.

Bob is a most worthy winner of the Junior Citizen Award - not only for this heroic deed, but for the day by day concern and help he cheerfully extends to make his brother's life easier.

We join with the editors of Alberta's weekly newspapers in wishing him every success in the future.

This is one of six announcements about the 1962-63 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledge the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner our special thanks go to the Cheadle Lion's Club and to the Editor of the Strathmore Standard who nominated Bob for the award.

Let The Journal Handle Your Printing

Letter to the Editor

Ottawa, Canada,
Oct. 22, 1963.

Mr. T. Holstead,
The Coleman Journal,
Coleman, Alberta.

Dear Mr. Holstead:

I am attaching a copy of Hansard dated October 19, 1963, and would ask you to refer to page 3780. We all want Highway No. 3 made an alternate Trans-Canada Highway to No. 1. This is a follow through on suggestions made by the Alberta Tourist Association and the Crows Nest Pass Chamber of Commerce. I am submitting this copy of Hansard in an attempt to keep you informed and there may be parts you would like to draw on for publication.

Information has been given to five new industries that have made inquiries concerning the Crows Nest Pass.

Yours sincerely,
LAWRENCE E. KINDT, M.P.,
Federal Constituency of
Macleod.

House of Commons
October 18, 1963.

Mr. Kindt: Mr. Chairman, I welcome the opportunity of putting a few questions and thoughts before the Minister of Public Works in relation to the highway development program.

An hon. Member: Louder.

Mr. Kindt: Are you hearing me over there, or was that a facetious remark? If so, I shall be glad to accommodate you.

An hon. Member: Be careful, we will not sell your wheat?

Mr. Kindt: We are not talking about wheat; we are talking about highways. The hon. member's facetious remark about wheat will be dealt with in due course when the estimates having to do with wheat and the Department of Agriculture are before the house.

To return to the subject of highways and highway development, a subject dear to my heart and to the hearts of the people I represent, we in the Crows Nest Pass and that area extending from Medicine Hat through Pincher Creek, Cowley, Blairmore, Hillcrest, Coleman, Fernie and Nelson to Vancouver have been asking that No. 3 highway be made an alternate trans-Canada highway to No. 1. I am glad to see that the hon. member for Kootenay East is prepared to support me.

(Mr. Cashin).
He represents the constituency to the west of me, and if there is one thing that the people are saying to him and also to me it is that the time is long past that the parliament of Canada should co-operate with the provinces to make highway No. 3 an alternate trans-Canada highway. I hope the Minister of Public Works is listening to me, because I am wondering why in the estimates now before us there is a \$10 million cut in the highway appropriation to the provinces. I should like to ask the minister if, as a result of this \$10 million cut, he was forced to forego any consideration of a contribution towards making this No. 3 highway an alternative route to No. 1.

What we need in southern Alberta is an all-weather highway—one which can be travelled in any month of the year without fear of being blocked by snowfalls or ice conditions. The only western route on which one can be sure of that is the one which I have described branching off through Medicine Hat and going west through the Crows Nest Pass.

Many years ago the people of the Crows Nest Pass area felt that through the Crows Nest Pass, through Nelson and on to Vancouver. However, vested interests in Calgary and Banff were successful in having the present route established. We have no quarrel with that. However, we do say that the alternative southern route should be established. I should like the Minister of Public Works, who is responsible for the highways, to go out and visit the area. I shall be glad at any time to take him over that route, and I am sure the hon. member for Kootenay East would join with me. We would give him a first-hand glimpse of that part of the country and give him an idea of the merit of my suggestion at this time.

This road has been black-topped most of the way by the provincial departments of highways. However in order to bring the road up to federal standards, and in order to take care of the tourist traffic in that area, other work would be necessary. The tourist traffic is important to the people of that area, so it is important that an all-weather road be established for travellers who wish to go from the prairie provinces to Vancouver during the winter or any time of year, on business or for pleasure.

If I might finish my original thought, I should like the Minister

of Public Works to visit that area. I know that he is new at his job and he cannot be expected to know everything about every corner of the country. Has the minister ever been to the west to familiarize himself with the conditions that exist there? He is nodding his head, indicating that he has. I shall, therefore, expect action from him to make this No. 3 highway an alternate route for the people of that area. The Chamber of Commerce of the Crows Nest Pass area has been able recently to obtain from the provincial government a promise to develop a provincial park in the area which has the greatest tourist attractions of any part of Canada. There is the Frank Slide and beautiful scenery including Crows Nest Mountain, and many other attractions in that area.

I notice that there has been \$10 million cut from the appropriation and I am wondering if this government wants to curtail these important developments, or are they in financial difficulties and trying to balance their budget by making these cuts? I contend that this is no time to be giving consideration to reduction when such important matters for employment as the development of our highway system are being considered. A cut of \$10 million at this time is quite unreasonable.

In closing I want to say that the second largest industry in the Dominion of Canada is the tourist industry. We should like the Minister of Public Works to give earnest consideration to highway No. 3. When he is travelling in the west with us, I should like him to look at another proposed road from this route which goes through Red Rock canyon in Waterton Lakes park to Coleman in Crows Nest Pass.

A certain amount of work has been done on this route, but it has not been completed. We should like to have the minister come out and familiarize himself with this project. Above all, we shall look for action just as soon as possible and hope that construction will begin next summer.

Coffee Shop Has New Operator

Long Gai Shing, well known Blairmore restaurant cook, has this week taken over the Coffee Shop at the Grand Union Hotel.

Mr. Shing will keep the restaurant open from 6 a.m. to 8 p.m. daily and later on week-ends. Prior to taking over on November 2nd, Mr. Shing was employed at Fat's Chop Suey in Blairmore.

A. A. R. N. Hold Meeting

The Coleman Chapter of the Alberta Association of Registered Nurses held a meeting recently, when it was disclosed that Miss Janet Krystoff of Bellevue, had been awarded the scholarship fund sponsored by the local Chapter. Proceeds to sponsor this scholarship were raised by means of a draw. Winner of the tri-lamp lamp draw was Mrs. M. Girling of Coleman.

An interesting film on communicable diseases, shown by Chinook Health Nurses, Mrs. Joyce Dziedzic and Mrs. Connie Dunlop, was well enjoyed.

The November meeting will feature a film on obstetrics after which a discussion period will be held.

The local chapter have extended a welcome to all graduate nurses in the Crows Nest Pass district to attend the meeting on November 14th.

George Caklos Dies in Calgary

Friends in the Crows Nest Pass will be sorry to learn that George Michael Caklos of Calgary and formerly of Blairmore, died in Calgary last week.

Services were conducted at Leyden's Chapel of Remembrance on Friday, November 1st at 2:30 p.m. Interment was made in St. Mary's cemetery.

George, 25 years of age, was born in Coleman and attended public and high school in Blairmore. He graduated in geology from the University of Alberta in Edmonton in 1960. He was a member of the Catholic Faith.

He is survived by his wife Jacqueline at 1904 - 12th ave S.W.; his parents, Mr. and Mrs. Mike Caklos, two sisters, Mrs. Patrick (Eileen) Moraghan and Helen, all of Edmonton.

C. N. P. Golf Club Hold Annual Meeting

Some 15 members of the Crows Nest Pass Golf and Country Club attended a general meeting in

the club house on Thursday evening, October 24th, when a nominating committee was appointed—comprising Jerry Pinotti, Bill Ferstay and B. Slapak.

The committee are to select a new slate of officers for the next year to be brought before the club for election in the spring.

The secretary was instructed to write to the Lethbridge Experimental Station to get information advising whether or not fertilizing would improve the turf on the scenic mountain golf course.

Consideration is being given by the club on changing the number of some of the holes on the course. Suggestion was given to changing number one and two holes to eight and nine, and starting play at number three hole. This will be further considered by the club.

Master Hypnotist To Appear Here

The Danish hypnotist Sarko will arrive in Coleman on Thursday in preparation for this week-end's showing at the Ruxy Theatre.

We were informed by his manager, that Sarko hails from Bornholm, Denmark, a small island in the Baltic Sea. Born in 1920, he was 10 years old when he first hypnotized chickens and cats.

At the age of 16 he began hypnotizing people. Since then he has mastered his art well. Sarko has spent five years touring Europe, with a full stage show on hypnotism. Sarko's wife, Ruth, accompanies him on all his tours.

Sarko's Canadian tour started in September; this year and will extend across Canada.

Sarko emphasizes "there is no danger in hypnotism when in proper hands".

Officers Elected To K. of C.

Installation of officers of St. Joseph Worker Council, Knights of Columbus, in the Crows Nest Pass was conducted Sunday evening, October 20th by District Deputy Sam Goodman, of Bruckett, assisted by Bros. John Tendler, Keith Williams and Joe Kuyper, all of Pincher Creek.

Officers installed were: Grand Knight, John Binda, Coleman. Chaplain, Rev. S. Henker, Bellevue.

Deputy Grand Knight, John Albizzati, Blairmore. Lecturer, Very Rev. P. A. Tessier, Blairmore.

Financial secretary, Leslie Owen, Coleman. Warden, Frank Plowman, Bellevue.

Treasurer, John Sikora, Coleman. Recorder, John Salus, Coleman. Chancellor, Eric Price, Blairmore.

more. Advocate, Henry Spatuk, Blairmore. Guards, Matt Vastenhout, Bellevue and Joe Dobek, Blairmore. Trustees, Morden McNeil, Hillcrest; Trevor Collier, Coleman, and Lou Huntley.

District Deputy Goodman announced plans are underway for an initiation at Fort Macleod in about six weeks time, at which time it is anticipated that about 40 candidates will be admitted to the four Councils in southwestern Alberta.

He also announced that Alberta Knights will sponsor the renovation and enlargement of the Library at St. Joseph's College on the University campus, Edmonton.

Initial costs are estimated at \$30,000 and upkeep at about \$5,000 per year. He urged all Knights to get behind the project.

The meeting accepted with regret the resignation of Bro. Owen as financial secretary, due to the pressure of private and business commitments, to become effective as soon as a successor is appointed.

Grand Knight Binda stated that preliminary plans have been made for a Talent Night early in the New Year, and for the second annual White Elephant Sale to be held in Bellevue Catholic hall, November 22 and 23. Donations for this sale will be gratefully accepted.

The lucky winner of the Park Lane Club draw was Leslie Owen, Coleman.
